## eHealth Initiative Survey Discussion

#### eHealth Initiative Survey Discussion

- Survey gathers data on the nation's progress regarding HIE based upon an eHI developed framework for assessing and tracking health information exchange development
- It is an oft-quoted defacto benchmark
- 2009 is the 6<sup>th</sup> year of the survey
- 14 pages long
- Over 300 responding organizations
- In addition to surveying active HIEs, it gathers data from statewide HIE organizations
- QUESTION: Should IHIC submit a response in 2010?
